

## **Registration and Advance Voting Form for a General Meeting**

### **Kojamo plc's Annual General Meeting on 14 March 2024**

Kojamo plc's (the "Company") annual general meeting 2024 (the "General Meeting") will be held on 14 March 2024.

Using this form, a shareholder may register for the General Meeting. It is also possible to vote in advance on certain agenda items of the General Meeting using this form. It is recommended that shareholders with personal Finnish book-entry accounts register for the General Meeting and vote in advance electronically at [www.kojamo.fi/agm](http://www.kojamo.fi/agm).

Each shareholder who is on the record date of the General Meeting (eight working days before the General Meeting) recorded in the Company's shareholders' register held by Euroclear Finland Oy, has the right to participate in the General Meeting. A shareholder, whose shares are registered on their personal Finnish book-entry account, is entered in the Company's shareholders' register. A shareholder who wants to participate in the General Meeting using this form must register for the General Meeting by filling in the required information on the second page of this form and by signing and dating this form (signatures and dates on the last page).

If a shareholder wishes to vote in advance using this form, they must also fill in the advance voting table on the last page of this form. Voting in advance is not compulsory. Possible advance voting using this form requires that the shareholder's shares are registered on their personal Finnish book-entry account. The number of possible advance votes is confirmed on the record date of the General Meeting based on the holding in the book-entry account.

If a shareholder is an entity (incl. estate), the legal representative of the entity or a person authorised by the entity must provide necessary documents to prove their right to represent the entity (e.g. a trade register extract or a board resolution). Documents are requested to be attached to this form. If the documents are not submitted to Innovatics Oy during the registration and advance voting period or they are incomplete, the entity's right to participate in the General Meeting may be refused. In such case, also any advance votes cast may be excluded from the votes cast at the General Meeting.

The completed, signed and dated form shall be delivered by e-mail to [agm@innovatics.fi](mailto:agm@innovatics.fi) or as originals by mail to Innovatics Oy, General Meeting/Kojamo plc, Ratamestarinkatu 13 A, 00520 Helsinki, Finland. Documents must be received at the latest by 6 March 2024 at 4:00 p.m. (Finnish time).

The personal information provided on this form is used to verify the shareholder against the information on the book-entry system and to confirm the shareholder's shareholding on the record date of the General Meeting. The information will be stored in Innovatics Oy's general meeting database for the sole purpose of facilitating the General Meeting. No information is used for any other purpose or for any other general meeting.

## **Voting in advance using this form**

I/we vote in advance with the shares I/we own/hold/represent as indicated with an "X" in each of the agenda items of the General Meeting listed below.

- The option "In favour" or "Yes" means that the shareholder is in favour of approving the proposal.
- The option "Against" or "No" means that the shareholder objects to the acceptance of the proposal. By voting in advance, it is not possible to submit a counterproposal to the General Meeting or demand a voting.
- "Abstain from voting" means giving an empty vote, in which case, shares are considered to be represented in the agenda item in question. This has significance, for example, in resolutions requiring qualified majority, as in such resolutions all shares represented at the General Meeting are taken into account and abstentions have the same effect as votes Against/No. Therefore, abstaining from voting affects the voting result. Shareholders should be aware of this, especially if voting against the proposal is not their intention.

The shareholder's shares shall not be taken into consideration in an agenda item in question and their votes shall not be counted as cast votes if

- No votes have been indicated under a certain agenda item.
- Multiple options have been marked with an "X".
- Text or markings other than an "X" have been used to indicate a vote.

In a situation where a shareholder has voted in advance through more than one voting channel, for example, both electronically and using this form, or more than once through the same voting channel, the votes cast last shall remain valid.
